Yes , but I think he's waiting for Encana comments.

I'm talking to Lem Smith later today. Will let you know what he says.

Later is better, but I'd rather you have the meeting without me if necessary. I should be leaving Cheyenne around 1:00 or 1:30, which should put me back here by 3:30 or so (depending on who is driving!). I can call in if I'm still on the road, though I'll be in a van at that point.

Kate – please see what works for staff and for Bob, and let's set it base on that information.

Bob – weren't we expecting to receive something further from the state on Friday?

Thanks,

Howard

I believe so. Howard, is there a time that best suits you since you are on the road?

Any chance we can have our technical call with R8 staff on the constituents tomorrow? I'm anxious to keep things moving because we may need more interaction with WY before the Friday mtg in Denver.
